Faith and Meaning in the Human Venture

The Human Venture in Sex, Love, and Marriage

Existing Before God introduces readers to one of the most important 19th century Christian thinkers, Soren Kierkegaard. In this volume, Paul R. Sponheim, unfolds Kierkegaards Sickness unto Death a key text outlining the problem of the human condition and the paradoxical heart of authentic Christian faith, the qualitative difference between God and creatures and its synthesis in the God-man. Sponheim also draws out the connections between this text and Kierkegaards larger theological and ethical vision, and the reception and significance of this text in the modern and contemporary theological tradition.

Human Venture

A survey of world history, incorporating coverage of early African and American civilizations as well as the contributions of Asia and Europe. Contains bandw photos, chapter summaries, and Voices From the Past boxes. This third edition includes new chapters on African and pre-Columbian American civilizations, and expanded material on 20th- century culture, women's contributions, and world systems analysis of modern and premodern times. Annotation copyright by Book News, Inc., Portland, OR

The Human Venture

The Human Venture in Sex, Love, and Marriage, Etc

An understanding of the history of the world—and understanding why this knowledge is important—has become essential for today's students. Benefiting from the unifying viewpoint of a single author, this lively two-volume narrative tells the story of human events on the move—the exciting event history of wars and politics, booms and busts, the rise and fall of empires, and more. It also reaches beyond the events that have shaped world history to trace the broader development of human institutions and ideas as they evolve through time. Special attention to art and ideas in each period and civilization.

The Human Venture

For one- or two-semester courses in World History, Comparative History, Humanities and Civilization as well as Multicultural Studies programs. From a truly global perspective, this two-volume narrative tells the story of human events on the move--the exciting event history of wars and politics, booms and busts, the rise and fall of
